BILLING AND SERVICE INFORMATION

If you are an existing Hyland Greens resident and using the neighborhood trash service program:

- Your participation in the program for the next year will continue without interruption.
- You will be invoiced by the management company in the amount of \$132 within the next few weeks for next year's trash service.
- The trash invoice will be due December 1, 2017. Please get your payment in promptly so that your trash service will not be interrupted during the holiday season.
- If you want to drop the neighborhood service and choose your own trash provider, please contact manager@havenpm.com and put "trash Service" in the subject line.

If you are not using the neighborhood trash service program and want to sign up, please use the form provided in the October newsletter. The form is also available on the Association website, <http://hylandgreens.org>
